

WASHINGTON ★ WATCH

FROM THE DESK OF CONGRESSMAN ROB WOODALL

Millions of Americans spend inordinate amounts of time and money trying to navigate the U.S. tax system and avoid being audited. With another Tax Day behind us, America is still left trying to solve this monumental problem that is our U.S. Tax Code. To give you an idea of just how expansive our tax code actually is, take a look at the chart below.

Brevity Is the Soul of Good Tax Policy

The U.S. tax code is ridiculously confusing and complicated. Better things have been said in far fewer words. Make it simpler, flatter, and fairer. ■ = 10,000 words

THE FAIRTAX: A BOLD SOLUTION FOR A BETTER AMERICA

The tax code's size aside, no matter how you slice the pie, honest taxpayers are punished under the current system no matter what they do. Whether you save responsibly, invest in our economy, or create wealth, Washington will find a way to punish you and it has to stop. My bill, H.R. 25, The FairTax, will put an end to bad tax policy once and for all. I hope you'll take a moment to read my [editorial from Sunday's Gwinnett Daily Post](#) to learn more about what the FairTax will do to unshackle American prosperity.

The FairTax is the most widely supported tax reform bill in Congress, and its support is growing! On Tuesday a coalition of U.S. Representatives, U.S. Senators, and tax reform advocates from across the country joined me for a press conference in front of our nation's Capitol. Together we called upon Americans to reach out to their leaders and demand they too support the FairTax as the solution that will truly overhaul our tax code and revitalize our economy. **Click on the image below to watch footage from the FairTax press conference.**

Our nation faces great challenges. As we move forward to try to heal our economy and keep America the greatest nation in the world, we must continue to gather to find common ground, build consensus and move America forward. Please consider joining the conversation at my next Town Hall Meeting at the **Buford City Hall this Saturday, April 21, from 12:00PM until 1:00PM.** No RSVP is necessary and all are welcome to attend.

Thank you for your commitment to freedom. I thank all of you for allowing me the privilege of serving you in Congress. I look forward to seeing many of you on Saturday.

Sincerely,
